

Case Western Reserve University School of Medicine

# Physician Assistant Program

## Degree Prerequisites

A baccalaureate degree from a regionally accredited institution in the United States or Canada prior to matriculation into the program. If educated outside of the U.S. or Canada, a transcript evaluation service documenting the applicant’s baccalaureate degree is required. Note that regardless of where the baccalaureate degree is completed, all CWRU PA Program prerequisite coursework must be completed at a regionally accredited institution in the United States or Canada.

## Course Prerequisites

### General Information – All prerequisite coursework must be:

- Completed at a regionally accredited institution in the United States or Canada.
- Completed no later than Fall semester of the year of application (December). Applicants will not be considered for admission if they are taking more than two prerequisite courses during Fall Semester.

## Test Prerequisites

**Test of English as a Foreign Language (TOEFL)** is required of all international applicants for whom English is not their native language but may be waived for applicants with a Baccalaureate degree from an accredited US institution. TOEFL is not required for US Citi-zens or US permanent residents. CWRU code is 1105.

*\*Admissions Standardized Exam Scores (GRE, PA-CAT) are not required in the application*

## Grade Prerequisites

A cumulative and science grade point average (GPA) of at least 3.0 (4.0 scale).

## Required Courses

Course	Credits
Biology with lab	1 course
Human Anatomy with lab	1 course (comparative anatomy may not be substituted)
Human Physiology	1 course (animal physiology or kinesiology may not be substituted)
Microbiology with lab	1 course
Organic Chemistry with lab	1 course
Biochemistry	1 course
Psychology	1 course
Statistics	1 course
Medical Terminology	1 course or certificate of completion accepted

*\*A&P I & II can be substituted for Anatomy and Physiology as long as total credits are 7 including one lab.*

*\*\*Online lectures/labs will be accepted*

## Letters of Recommendation

Applicants must provide a minimum of three letters of recommendation. One letter of recommendation must be from a healthcare professional who has known the applicant for at least 6 months.
